- A copy of the mare's registration papers should be submitted along with this contract.
- The booking and return privileges are only transferable with written permission from the stallion owner.
- The purchaser is responsible for ensuring the mare is in sound breeding condition and up-to-date on all worming and other vaccinations. We strongly advise following your veterinarian's recommendations.
- It is mandatory to vaccinate the mare for Rhinopneumonitis (Equine Herpes Type 1) at 5, 7, and 9 months of pregnancy.
- We highly recommend that the mare be checked for pregnancy, ultra-sounded 14-17 days post-breeding, and re-checked between 28-35 days of pregnancy. The purchaser must inform South Valley Equine Hospital of the mare's pregnancy status by day 55.
- The full stud fee of \$1200.00 and the collection & shipping fee of \$350.00 must be paid before shipping semen.
- Neither Charlie Heaton nor Casey Shields are responsible for any semen shipments lost, delayed, or damaged during transport.
- The semen shipment from JLOS IVORY is to be used only on the mare named in this contract.

- Semen is collected Monday, Wednesday, and Friday from March 1, 2025 - August 1, 2025. If the purchaser requires semen before or after our regular season, please contact South Valley Equine Hospital. We will do our best to accommodate mare owners whenever possible.
- The purchaser must contact South Valley Equine Hospital for semen. Breed orders are filled on a first-come, first-served basis.
- If the mare fails to conceive during the 2025 season, the purchaser is entitled to a return breeding for the following three (3) years.
- Live Foal Guarantee: If the mare, after being checked in foal, aborts or does not produce a alive foal that can stand and nurse after birth, the purchaser is entitled to a return breeding in the following three years. It will be the purchaser's responsibility for any cost associated.
- The purchaser will receive paperwork once all fees have been paid.

Thank you,
Charlie Heaton, DVM & Casey Shields
